# Relationship and sex education

The School provides sex education in the basic curriculum for all Prep pupils, in which pupils are encouraged and guided by moral principles and taught to recognise the value of family life.

A full statement of the School's sex education policy (contained within the Values Policy) is available to parents with details of timings and lesson content. It has been drawn up in consultation with staff, pupils and parents, and takes into account the views of representatives from the community. It has regard for the government's guidance in *Sex and Relationship Education Guidance (0116/2000) and 2008 Review of RSE and the Children, Schools and Families Act 2010.* 

In accordance with the law the biological aspects of human reproduction remain compulsory for all pupils, but parents may withdraw their children from any other part of the sex education provided without giving reasons.

RSE is taught as an independent subject from time to time, throughout the academic year, using consultants and school teaching staff, to Years 5 to 8.

schools and in the wider community. The School's 'Way of Life' forms the backbone our school ethos and describe the rules by which our pupils and staff function within the school community. These are reflected in the PSHEe (Wellbeing) curriculum, the School Song and form the basis for Form assemblies.

The School has a wide and varied programme of cultural, intellectual and sporting activities that take place outside the formal curriculum. These are activities that develop a range of character attributes, such as resilience and grit, which underpin success in education and employment. All pupils are expected to take part in the programme of sports matches but other activities are optional. The School is continually focussing on the development of the range/variety and staffing of the extra-curricular activities offered.
